DIAL SERVICE CENTRE PVT. LTD.

Our company

Samsung AC Installation

We provide professional Samsung AC installation services with a focus on precision and safety. Our expert technicians ensure your new AC is set up for optimal cooling performance and maximum energy efficiency.

Samsung AC Repair

Facing issues with your Samsung AC? Our repair specialists diagnose and fix problems quickly — whether it’s cooling issues, strange noises, or electrical faults — using genuine Samsung spare parts and proven repair techniques.

DIAL SERVICE CENTRE PVT. LTD.

Our philosophy

Customer-Centric Approach

We prioritise your comfort and convenience by offering timely, efficient, and affordable Samsung AC services, always putting your needs first.

Quality & Transparency

We use 100% genuine Samsung spare parts, offer clear pricing with no hidden charges, and deploy expert technicians to deliver reliable, lasting solutions.

Long-Term Support

Our relationship doesn’t end after one service. We believe in building long-term trust through AMC plans, seasonal checkups, and responsive after-service care.
